

| MEETING MINUTES | | |
|----------------------------------|--|---------------|
| Project Name | Cinescope | |
| Meeting Name | Desgin Constrain and Prototyping | |
| Meeting Facilitator | Jeet Patel | |
| Meeting Details | Date: October 03 2024 Time: 2 hour Location: Teams | |
| Meeting Invitees | Jay Patel Jeet Patel Jenil Chaklasiya | |
| Minutes: | | |
| Topic | Summary of Discussion/Decision | |
| Discussion on Design Constraints | Key constraints identified, including technical limitations, budget considerations, and project timelines. Emphasis was placed on prioritizing features to meet these constraints effectively. | |
| Prototyping | Agreed on tools and techniques for creating prototypes. Set clear objectives for the prototype phase to validate core design concepts. | |
| Action Items: | | |
| Description of Action | Assigned to | Date Required |
| Lofi Prototype | Jeet Patel | October 06 |
